jan

please perform a sequence and a sequence interference search for

08 / 487283

(1) - (6) are CDR's of a single antibody
so i do not believe that they have to be done as separate sequence searches
but can (1) - (6) be done as one search; this is how the claim is set up (1-6)

- 1) amino acid residues 26 - 36 of SEQ ID NO: 8
- 2) amino acid residues 52 - 58 of SEQ ID NO: 8
- 3) amino acid residues 91 - 99 of SEQ ID NO: 8
- 4) amino acid residues 152 - 161 of SEQ ID NO: 8
- 5) amino acid residues 176 - 192 of SEQ ID NO: 8
- 6) amino acid residues 225 - 237 of SEQ ID NO: 8

7) SEQ ID NO: 8

- 8) amino acid residues 1 - 122 of SEQ ID NO: 1
- 9) amino acid residues 8-12 of SEQ ID NO: 1 closed

thanx
